

KENTUCKY
STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM (STIP)
For FY 2013-2016

ADMINISTRATIVE MODIFICATION #2012.180

I. Proposed Action:

Modify the FY 2013-2016 Statewide Transportation Improvement Program (STIP) by adding the following projects to Exhibit A-5.

Location: Campbell County

Item No.: 6-8105.00 (Broken out of 6-8105.01)

Description: Transportation Improvements to AA--I-275 Connector, Campbell County

Fund Type: HPP

Fiscal Year: 2014

Phase: Design

Funding Amount: \$550,000

Location: Campbell County

Item No.: 6-8105.05 (Broken out of 6-8105.01)

Description: Transportation Improvements to AA--I-275 Connector, Campbell County

Fund Type: HPP

Fiscal Year: 2014

Phase: Utility

Funding Amount: \$1,259,000

II. Additional Remarks:

The design phase funding and the utility funding for this STIP Administrative Modification are broken out of KYTC Item Number 6-8105.01 as shown in the OKI TIP FY14-17, CAM 8-2 and KYTC STIP FY13-16 Exh A-5 page 16. The obligation of the HPP Congressional earmark funding requires separate federal numbers. Thus, the identified \$550,000 of HPP funding for the design phase funds is for additional design funding for the previously approved design phase shown under federal number DPR 0067(006); KYTC Item Number 6-8105.00. The identified \$1,259,000 of HPP funding for the utility phase for 6-8105.05 is broken out of the 6-8105.01 as shown in OKI TIP and KYTC STIP.

This modification will become part of the 2012 STIP end of Federal Fiscal Year 2014 "fiscal constraint" recalculations.

III. Administrative Modification Approval:

Modification Recommended for Approval:

Kentucky Transportation Cabinet Date
Ronald B. Rigney, Director
Division of Program Management
